

The Venetian on Grace Bay Resort

Hurricane Update

Message from Terria Missick, Resort Manager

Following the hurricanes during the month of September, thankfully our resort did not experience major damage, there are mainly cosmetic issues to be fixed . Hurricane Irma's high winds brought down a few palm trees and other landscaping on the grounds but the staff has been hard at work getting the resort back for business.

Airport (PLS) and more ... open

More good news: the international airport on Providenciales (PLS) is open for commercial flights as of 11am Monday, September 11th, 2017. Providenciales has been getting back to normal as well, with most stores (pharmacies, groceries, banks, etc.) reopening as of September 11th, 2017. Provo Golf Course across the street from us opens September 29th.

The resort will be available to accept guests starting October 1st, 2017 and is offering a 40% discount off our best available summer rates. Exclusive discounts are also being offered for travel during the month of November, call for more details.

Thank you for all of your concern, emails, thoughts, and prayers.
